Congresses and fairs

BIO-Europe 2009

Vienna, Austria

kolar@biovendor.com<http://www.ebdgroup.com/bioeurope/>

START: 02 \ 11 \ 2009

END: 04 \ 11 \ 2009 > [more](#)

MEDICA 2009

Düsseldorf, Germany

kolar@biovendor.com<http://www.medica.de/> ,

Booth 03/H91

START: 18 \ 11 \ 2009

END: 21 \ 11 \ 2009 > [more](#)

ToxExpo 2010

Immunoassays

Proteins

Antibodies

> Research Topics

- | | | | |
|--|---|---|---|
| > Apoptosis | » | > Lipoprotein Metabolism | » |
| > Autoimmunity | » | > Muscle Growth Control | » |
| > Blood Pressure Regulation And NO Metabolism | » | > Neural Tissue Damage Markers | » |
| > Bone And Cartilage Metabolism | » | > Oncology | » |
| > Cardiovascular Disease | » | > Oxidative Stress | » |
| > Cell Adhesion Proteins | » | > Pancreatic Regulatory Molecules | » |
| > Cytokines And Chemokines And Related Molecules | » | > Renal Disease | » |
| > Diabetology - Autoimmunity | » | > Reproduction | » |
| > Diabetology - Insulin, C-Peptide, Proinsulin | » | > SCD | » |
| > Diabetology - Other Relevant Products | » | > Secreted Phospholipases A2 | » |
| > Energy Metabolism And Body Weight Regulation | » | > Steroid Hormones | » |
| > Growth Hormone And Factor-related Products | » | > Transplantation | » |
| > Immune Response, Infection And Inflammation | » | > Animal Studies | » |
| > Iron Metabolism | » | > Others | » |

Vision

Our vision is to step forward to the most advanced technologies and applications within our product range:

- ▶ **custom manufacturing**
- ▶ **therapeutic recombinant proteins**
- ▶ **recombinant antibodies**
- ▶ **advanced immunoassay formats and multianalyte immunoassays/arrays**
